*(Burkman?)*

1. Mr. Bergman, of the Joint Congressional Atomic Energy Committee called to state that they believed the House Un-American Activities Committee would seek to subpoena any files we might have in connection with the espionage activities of Dr. Fuchs. The Atomic Energy Committee would like to know if such an attempt is made. The Committee is interested in any information we might have on exchange of Atomic information with the British under the Manhattan District, [redacted]

25X2 Energy Commission, and any documents which existed in this connection would be with the Commission; nor do we have any material in connection with Dr. Fuchs, as it is a security matter outside our province.
